County Councillor Nigel Moore has booked five days for work from 3 Lengthsmen. The council agreed that John Durrant is to lead the project and liaise with the workmen. A notice of the work and requests for additions to the schedule can be found on the village website and noticeboard.

As there were insufficient number of Parish Councillors present, donations to the church and other good causes is to be added to the December agenda.

John Durrant informed the room that he met with a member of Upper Rissington Parish Council which would like to include part of Great Rissington Parish in its Neighbourhood Plan. The land is designated as playing field in the developers plans, and it is in order to protect this designation from future development that Upper Rissington seeks the co-operation of Great Rissington. It was, accordingly, resolved that Great Rissington Parish Council approves the inclusion of the area marked on the accompanying plan (Item 1) in the Upper Rissington Neighbourhood Development Plan. This marked section of the Upper Rissington Victory Fields development lies

within Great Rissington Parish. This permission is subject to the area being designated in the Neighbourhood Development Plan as green space and not being zoned for any development of any kind. For the avoidance of doubt, the marked area remains within the Parish of Great Rissington, and nothing in this resolution implies otherwise.
