

Waste and recycling collections update - Monday 18 December

Release date: 18 December 2017

Ubico crews will be carrying out scheduled rounds today and are also aiming to catch up on any outstanding collections from last week as soon as possible.

The advice remains the same -

Residents who have been missed should leave waste and recycling at the kerbside until it is picked up. The Ubico crews will get to you as soon as practicable, and will pick up extra waste that has accumulated during the delay provided it is bagged and placed by the side of the refuse bin.

If your waste has not been picked up by the end of Wednesday, please contact the Waste Hotline on 01285 623123 to report a missed collection.
