

Rotary in the Rissingtons Car Treasure Hunt - The Return

Saturday, 8th. October 2022

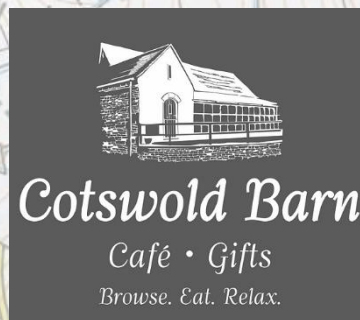

After the success of the inaugural Rotary in the Rissingtons Treasure Hunt (2021) and having to cancel the July 2022 event due to weather, come and join us for an afternoon exploring our wonderful countryside by car and benefit charity too.

Starting at the Upper Rissington Village Hall (GL54 2QB), cars will set off at one-minute intervals, from 1.30pm. Any road registered car can be entered – old or new, family or classic. Over the next 2-3 hours you'll enjoy a leisurely drive through the North Cotswolds, following clues as you drive along. You don't need to be Einstein to solve the clues, and if you bring your kids, they may even answer them better than you!

Cost is just £20 per car with all proceeds going to Rotary in the Rissingtons charities. The winner of the treasure hunt (there will be a tie breaker to decide) will receive a nice hamper. You need to both register and pay in advance.

The route will be around 50 miles (make sure your car is fueled before you leave) and the destination is Cotswold Barn (*formerly known as the Cotswold Food Store and Café*), Ganborough, near Longborough, GL56 0QZ. Expect to arrive there around 4pm, with the prizegiving being at 4.30pm.

Cotswold Barn has a café with great food and drink and do visit their shop, too. There is adequate parking onsite. See <https://www.cotswoldbarn.com>.

At the Upper Rissington start, you'll need to sign in, after which you'll get a route plan and the clues you'll need to follow as you go round. We recommend you have a suitable map rather than use Sav Nav – and bring a pen too.

The legal stuff: Numbers are limited, and this is NOT a race. The safety of your car and its occupants is down to you, and you must ensure your car is fully taxed, insured, legal and safe and you must abide by all road traffic, Covid and other laws and regulations at all times. Rotary in the Rissingtons and its members can take no responsibility for damage or injury, however caused. We reserve the right to cancel the event without notice for any reason and if we do that your entry fee will be refunded but otherwise there will be no refunds. Covid rules will be adhered to at all times.

About us: Rotary in the Rissingtons was established three years ago. Part of Rotary International, our focus is on helping the local community and schools. Find out more at <https://www.northcotswoldrotary.org/rotary-in-the-rissingtons> or see our Facebook page.

To enter, email Andy Couchman at andycouchman@aol.com, tell him your name and email address and what car you'll be driving, and we'll give you details of how to pay.
